[Issued patents](#)[Applications](#)
Streaming media delivery on multicast networks for network and server ...

US Pat. 7020710 - Filed Jun 21, 2002 - Thomson Licensing

The determination is made by including input 20 such as the **bandwidth** ... song
could be used to help with instantaneous playback start and **synchronization**. ...

Method and apparatus for data transportation and synchronization between MAC ...

US Pat. 6683866 - Filed Oct 29, 1999 - Ensemble Communications Inc.

By using the data transportation and **synchronization** technique of the present invention, **scheduled** uplink and downlink data is transported and synchronized

...

Method and apparatus for synchronization between MAC and physical layers in ...

US Pat. 6771660 - Filed Oct 25, 2000 - Ensemble Communication, Inc.

Bandwidth needs that do not require encoding, such as the various ... and **synchronization** technique of the present invention, **scheduled** uplink and downlink ...

Method for providing bandwidth and delay guarantees in a crossbar switch ...

US Pat. 6072772 - Filed Jan 12, 1998 - Cabletron Systems, Inc.

transmitted by time t_n are those which were **scheduled** in 55 which could still

... For arbitrary $1 = S < 3$, with no assumption on **synchronization** of cell slot

...

Video server content synchronization

US Pat. 6378129 - Filed Mar 30, 1998 - International Business Machines Corporation

Video servers 30 have limited **bandwidth** capability and some **bandwidth** must

always be ... If both tests pass, the video is **scheduled** for staging 1745. ...

Automatic synchronization of continuous bit rate ATM cells in a point-to ...

US Pat. 5844906 - Filed Jun 30, 1997 - Ericsson, Inc.

A variation of a reservation mode permit includes a "**scheduled** mode" permit that is used to assign a specific, fixed amount of upstream **bandwidth** to a given ...

scheduled synchronization, bandwidth
